Mövenpick Hotel; Residences Nairobi

DAY THREE: NAIROBI - MASAI MARA NATURE RESERVE

Early morning wake up and yoga practice with our friends at the Kenya Heart Studio in Nairobi. Return to the hotel for a scrumptious breakfast. After we will be picked up from the hotel and transferred to the Wilson Airport for our domestic flight to the famous Masai Mara Game Reserve.

You will be amazed by the wonderful scenery and plenty of game that this game reserve offers. It is perhaps the only region left in Kenya where the visitor may see animals in the same super-abundance as existed a century ago. Mara game reserve shares the same ecosystem with the neighbouring vast Serengeti National park of Tanzania where animals move freely between the two conservation areas with The Wildebeest Migration having central migratory herds of over 1.3 million wildebeest as the major crossing.

Upon arrival at the airstrip, we will be met by your camp's driver guide with camp's Vehicle and proceed to arrive at our camp for check-in and in time for lunch. Enjoy some rest and leisure before heading out for an afternoon game viewing drive; be on the look-out for the big five that Masai Mara is famous for; these include the lion, savannah (African) elephant, the Cape buffalo, the leopard and the black rhino. In the early 20th century, Kenya was a famous hunting destination. Killing any of the big five gave one a sense of pride, class, a feeling of heroism - some ranking above the common man. Later return to your camp for dinner and overnight.

DAY FOUR - DAY SX - MASAI MARA

Enjoy THREE full days of morning and afternoon game viewing starting with a breakfast at your Camp. The Rolling plains and grasslands, stretching far into the horizons as far as the eye can see is home to the black-manned lion, the savannah elephant, the Cape buffalo, wildebeests, the elusive leopard, cheetah, the spotted ; stripped hyena, the rhino, topi, burchelle's zebra, the Maasai giraffe among many others. The Mara game reserve is one that can never disappoint. One is spoilt by the variety of bird and wildlife species in this game reserve. For a long time, Mara Game Reserve has stubbed her authority as the 'granary' of wildlife in Kenya.

We will have the opportunity to enjoy afternoon yoga sessions (the perfect way to loosen the muscles, after the bumpy yet thrilling game viewing drives.

Enjoy meals and overnight at your camp.

OPTIONAL ACTIVITY: : Today's adventure begins just before dawn. Flames from the hot air balloon burners light the darkness as the crew inflates their craft. The first, pink tongues of sunlight flicker across the skies and the hot air balloon fills then rises. Suspended in a basket beneath the rainbow-colored canopy, you're off for a game-viewing adventure with an entirely different perspective. Apart from the occasional hiss of the burners, a lions roar, elephants crashing through the bush, baboons perched in the tips of the trees startled and screeching to see something above them, the flight above the Masai Mara plains is magically silent. At the end of the flight, the passengers are treated to a champagne breakfast in the bush, complete with flowers. China and crystal are set out on the table that is placed under a convenient acacia tree. The finishing touch to the flight is a game drive back to the camp, and the possibility of seeing the same pride of lions, or herd of elephants that had been viewed while ballooning. A flight certificate is issued on completion of the balloon safari. Back at Camp enjoy a sumptuous lunch and a well deserved rest.
